Terre Haute, IN 47803

Dear Fellow Cyclist:

As the President of the National Road Bicycle Club I would like to thank you for your continued support. The National Road Bicycle Club has been in existence for over ten years. We sponsor group rides from Hawthorne Park two nights a week from April to the end of September. We also have special rides on several weekends a year. Club rides are open to all riders (children under 18 must be accompanied by an adult) of all levels of ability. Club members receive a monthly newsletter that has articles on fitness and bicycling. We also supply the newsletter to local bicycle shops and local city offices and host the biketh.org web site.

We continued to support organizations such as the B & O Trail Association, People Pathways, Indiana Bicycling Coalition, N.R.H.T., The Seelyville Fire Department, Bikes for Tykes and the Terre Haute Parks and Recreation Department. We could not do this without the financial and physical support of our members. It is now that time of year to collect dues so that we can continue to support bicycling in the Terre Haute area. Our dues schedule is listed below. Please fill out this form and return it to me at the above address. We will email our newsletter to you as a PDF file so please supply that information. If you wish to be mailed a hard copy of the newsletter please indicate that below also. Thank you again for your financial support. We can also use your support as volunteers for ride leaders, help with the St. Patrick's Day Ride or for articles for the newsletter.

Annual Dues: Single \$10.00 – Family \$12.00 – Student \$6.00 – Senior \$6.00
